This is an outstanding opportunity to invest in a plot of land with outline permission to develop into a motorhome park - one of the fastest growing year-round tourism sectors across Europe. With the Algarve being a destination for motorhome visitors in all seasons, this park will have full-service facilities including sanitary facilities, mains water and electricity hook up. It will be secured behind a wall and have reception services for visitors. With quality, pleasant and modern facilities combined with its great location close to Albufeira Marina, this is an interesting small business opportunity with enormous potential for income generation.
