A splendid apartment in the delightful Windmill Hill development atop old town Albufeira. With excellent in-resort facilities including a large pool, tennis court, reception service and upscale restaurant in the renovated windmill, this cosmopolitan and perfectly manicured development is a popular choice for many buyers. This apartment, with sea views and views across the surrounding area is completely renovated, spacious and enjoys access to a shaded dining terrace. Presented in neutral tones with natural flooring, air-conditioned throughout and there's a fireplace in the lounge. Around 10 minutes walk into Albufeira's old town, beach and Marina, yet is a peaceful retreat from the hustle and bustle of the main town centre.
